pricing, planning & promo

Thanks for your interest! FYI, I'm quite organized... I will plan and coordinate with you to help ensure a successful visit. I look forward to serving you! ~*Brian Bates*

Possibilities

- Concert
- Service/Event participant (special music/testimony/worship leading)
- **Engage!** A Worship Team Workshop

A hands-on, interactive session to observe, critique, coach and equip in the arenas of musicianship, leadership and communication. It's challenging and encouraging - and a blast! For worship leaders, singers & musicians.

\$\$ Guidelines

- Event/Host to cover expenses
- Event/Host to provide net income potential
- Expenses and Income potential can be covered in any fashion (offering, appearance fee, ticketing, combination) that the Host and Brian agree upon as most appropriate and effective

BB Expenses

- 1) Musicians:
 - \$100-200 each, based on nature of booking and time commitment
 - Concert: 3-player band is my standard
 - Service/Event: can often bring just one player, or come alone using tracks
- 2) Travel and Lodging, as needed

CD Sales

- A table placed prominently for people to meet me and buy CDs helps a lot!
- CD sales ideally to provide income, not cover expenses
